# Fox Theater Restoration

## City of Pomona

- Listed in the National Register of Historic Places
- When built in 1930, the Fox Theater was a premier example of Art Deco architecture, featuring an 81-foot high tower and 1,000-voiced pipe organ. Throughout the 1930s and 40s, the Fox was an important landmark in downtown Pomona, often serving as the venue for movie movie premiers orchestrated by major Hollywood studios.
